The **Steady-Plank**<sup>tm</sup> system

## **The STEADI-PLANK™ Precautions!**

- Do not exceed more than three (3) people on The STEADI-PLANK™ Boarding Ramp at the same time.
- Do not connect more than TWO (2) STEADI-PLANK™ Boarding Ramps or STEADI-PLANK™ Boarding Ramp and STEADI-PLANK™ Ramp Extensions together. The standard product total maximum span **should exceed twelve (12) feet long.**
- The surface of The STEADI-PLANK™ Boarding Ramp will get very hot when in direct sunlight.
- The surface of The STEADI-PLANK™ handrail will get very hot when in direct sunlight.
- Make sure that the STEADI-PLANK™ Mounting System and hardware are firmly secured to the vessel and will not pull lose or break free when used.
- Saltwater is corrosive. If used in a saltwater environment, wash down with fresh water as often as possible.

***Unsure about your first step... don't be... Use The STEADI-PLANK™ Boat Boarding Ramp System©!***
